Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report

(~~Except for the matters reported below~~)* on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. Period for the exercise of public rights

The Local Audit and Accountability Act 2014 (the Act), sections 26 and 27, and the Accounts and Audit Regulations 2015 (the Regulations), sections 14 and 15, set out the requirements for the period for the exercise of public rights of objection, inspection and questioning of the external auditor. In particular section 14(1) of the Regulations stipulates that any rights of objection, inspection and questioning of the external auditor conferred by sections 26 and 27 of the Act may only be exercised within a single period of 30 working days.

The Council published its Notice indicating the period for the exercise of public rights commenced on 6 June 2016 and ended on 18 July 2016. This is more than the 30 working days as required by the Regulations. For any days over those 30 working days, a member of the public would have no formal rights in respect of objection, inspection and questioning of the external auditor.

In the future, the Council must ensure that it complies with the Local Audit and Accountability Act 2014, sections 26 and 27, and the Accounts and Audit Regulations 2015, sections 14 and 15 to ensure that the dates for the exercise of public rights are properly calculated and published and cover a single period of 30 working days. The Council should also consider the impact of this failure on its disclosures in the 2016/17 Annual Return.
